

SCS Global Services does hereby certify that an independent assessment has been conducted on behalf of:

Coosemans New York

NYC Terminal Market, U-249B
Bronx, 10474
United States

This company developed, maintains and administers a

HACCP-based Good Manufacturing Practices (GMPs) Food Safety Program

Product Scope: Fruits, Vegetables and Eggs

Rating: 95.26%

Audit Date: June 9, 2023

Certificate Expiry Date: July 30, 2024

Facility ID#: SCS-GMPGDPA-19

The certification audit includes a program review and performance evaluation of the site's Food Safety Program. Audit of the program is based on 21 CFR Parts 117 Good Manufacturing Practices (cGMPs) and the operation's stated program requirements.
